

Fire Destroys School

Fire destroyed the interior of the Immanuel Evangelical Lutheran school, Sauk Trail near Cicero ave. late Tuesday afternoon. Some of the pupils are from the Frankfort area.

Miss Joyce Kopsell, who teaches the lower grades, was staying late to correct papers. The principal, Otto G. Beccue had left the building earlier to attend some errands but had returned around 5 o'clock, about the time Miss Kopsell smelled smoke. She told Mr. Beccue and they investigated.

The source of the smoke was traced to the girls' toilet. The fire appeared to be between the walls there and Mr. Beccue called firemen.

Fire departments from seven communities responded, Matteson, Richton

Park, Steger, Steger Estates, Monee, Woodhill and Park Forest.

By the time firemen could arrive the fire had broken thru and swept thru the building, destroying the interior.

It cost \$27,000 to erect the school in the late 1940's and it was estimated that if the entire structure were replaced now it would be almost double that figure.

Classes were resumed the next day in the parish hall of the church which is next door to the school. Classes can be conducted there, it was said, for the remainder of the year. There are 40 pupils.

No decision has yet been reached as to future plans, it was said. It has been suggested that the school be rebuilt and it has been suggested that an addition be built to the parish hall to accommodate classes. The congregation will make the final decisions.

Steps, walks and yard had a thick coating of ice from the water used in fighting the blaze in sub-zero temperature. The fire, origin of which was not definitely determined, was discovered around 5 o'clock by a teacher who was correcting papers. The lower photo is one of the classrooms. The entire interior and contents were destroyed. Several of the pupils reside in the Frankfort area.

Republicans Nominate Frankfort Town Ticket

The Republicans of Frankfort township nominated a town ticket at a caucus held in the Mokena VFW hall last week.

The Democrats were to have had a caucus at the same place two hours earlier but didn't so there will be no ticket in that party's name on the ballot in the town election April 6.

It was stated, however, that another ticket under another party name could be placed on the ballot thru petition but such petition must be filed with the town clerk by Feb. 15.

In the past, township tickets in Frankfort township were placed in nomination thru petition, and not under the regular party names of Republican and Democrat.

Several weeks ago State's Attorney George E. Sangmeister sent out a digest of Article VI-A of Chapter 139, Illinois Revised Statutes, setting forth the law concerning township caucuses for the nomination of candidates in the April election.

The official 1960 census in Frankfort township show it to have a population of over 5,000, and according to Sangmeister's interpretation of the statute's the two major parties could make their nominations at caucuses attended by voters in such townships.

There were 36 voters at the Republican caucus Feb. 2 and eight candidates were nominated.

The Republican nominees this year include an assistant supervisor in the event that an official census of the township, now reported to be in the making, shows the population to be in excess of 7,500. Such a population, Supervisor George Tate, of Frankfort, explained, would entitle the township to an assistant supervisor.

"We believe the census will show a population in excess of 7,500," Supervisor Tate declared, "and that it will be completed in time to have the ballots printed. Of course, should the census not be completed in time or should fail to show a population of 7,500 there would be no candidate for assistant supervisor on the ballot."

If there can be an assistant supervisor elected the Republicans are ready for it. They have nominated Berle F. Needham, of Mokena, a high ranking official of the Rock Island railroad, for the post. Mr. Needham has not been a candidate for public office previously.

Mr. Tate is a candidate for re-election as supervisor. Other candidates seeking re-election are:

Harold Cooper, Mokena, town clerk,
Harold Smith, Frankfort,

assessor.

Burnett Schram, Frankfort, town collector.

August Werner, Mokena, for the town board of auditors.

Also nominated for the town board of auditors are two new candidates, Richard T. Heim, of Arbury Hills, and Rudolph Urbano, of Lincoln Estates.

At New Lenox the Democrats had not announced a

ticket as of Monday but the Republican caucus named John Oster, former superintendent of schools there, as assistant supervisor; Frank Kluge, an assistant cashier at the New Lenox State bank as town clerk; Alfred Emily, insurance man, as collector and the three nominees for the board of town auditors are, Kenneth Allen, Bill Loucks and Ronald Vondrasek.

Frankfort Girl Is Booked Back On Ernie Ford Show

Karen Geuther, whose professional name is Karen Brian, will be appearing again on the Tennessee Ernie Ford TV show, according to word received by her parents, Mr. and Mrs. Grant Geuther, of Frankfort.

Miss Brian is a member of the Back Porch Majority, a group of seven folk singers directed by Randy Sparks. The Majority appeared on Tennessee Ernie's show several weeks ago and has been engaged to make six more appearances. The exact dates are not known.

The show originates at San Francisco and is received on Channel 7 at noon each weekday in this area.

Epic Records just recently released a second 45 rpm recording of the Back Porch Majority. There are two songs and one of them features Karen singing, "Hey, Nelly," which an agency in Los Angeles has tabbed as a potential hit.

The Church of the

Nazarene as a denomination has released the following information from Kansas City, Mo. Per capita giving was a record \$160.38 in 1964. This was an increase of \$6.82 over the previous year.

Giving for all purposes in 1964 was a record \$55,462,375 - a gain of \$3,429,000 over the preceding year.

Gains in membership brought the denomination's world membership total to 415,470 at the close of 1964. The annual statistical report by the Rev. Edgar Johnson, general secretary, showed the denomination had a net gain of 28 churches making a total of 4,877 in the U.S., Canada, and the British Isles.

The stewardship report apparently assured the Nazarene church of continuing as first in the nation in per capita giving among all churches with 100,000 or more members. The denomination will complete basic development of its International Center at Kansas City with the dedication of a third major building. The International Center construction and site are valued at about \$5-million.

The local Church of the

Nazarene in New Lenox has expanded its program under the pastoral leadership of the Rev. W. D. Huffman. On Dec. 6 the local church voted to purchase the property at 1119 N. Cedar road for a parsonage and took possession on Feb. 1. This will allow for additional Sunday school expansion and Fellowship Hall in the apartment which the pastor had previously lived.

Long range future planning will include a new sanctuary connected with the present educational unit. Additional parking space was provided a year ago. The church is located at 123 W. Wood st. in New Lenox.

Brazilian Teacher Has Tour Of Sandburg High

A story which began in Brazil during World War II, came to a climax at Carl Sandburg high school recently.

On the surface, it is a simple story. Miss Dulce Alberts, former elementary teacher in Brazil, came to the United States to study. She also visited Sandburg while vacationing at the John L. Lindners of 12900 86th Avenue in Palos Park.

But the story really began when Lindner was assigned to Brazil with the United States navy during World War II. There he met the Alberts' family who "adopted" him while he was away from home.

Then two years ago on a trip to South America, the Lindners renewed their acquaintance with the Alberts, where they met Miss Alberts. Her one dream was to come to the United States.

Now that dream has come true.

Miss Alberts plans to spend about two years in the United States studying sociology and psychology. Then she wants to "go back and help as many Brazilians

as possible." She has worked with boy scouts, cub scouts, needy children and orphans.

Her visit to Sandburg was "most interesting," she said. "I am astonished at the discipline here," she added. "When the bell rings, the students become quiet and class begins. They don't leave until the teacher dismisses them. In Brazil this would be unusual."

She also commented on the quiet efficiency with which students passed from one class to another.

While at Sandburg, Miss Alberts visited five classes, talked with James Adcock, director of guidance, and met with Evan H. Kelley and Richard K. Kucera, administrators at the school.

Post Office Accepting Carrier Applications

The board of United States Civil Service Examiners announced that beginning Feb. 1, applications will be accepted for the next examination for clerk-carrier positions for duty in Post Offices located in Cook County outside of the delivery area of the Chicago Post Office.

The starting rate of pay is \$2.48 per hour for substitute employees and \$5,000 per year for regular employees.

The minimum age limit for these positions is 18; however, this age limit is waived for high school graduates. They may be appointed when they reach their 16th birthday provided local child labor laws permit. Persons cannot be certified for carrier positions until they reach their 18th birthday. There is no maximum age limit.

This is an important public service which offers job security. Important advantages are regular step increases in salary until a maximum of \$3.38 per hour or \$6815 per year is reached. Added benefits include liberal vacations, paid sick leave, uniform allowances, cash incentive awards, low rate life insurance, health benefit plan and an up-to-date retirement system.

A copy of the announcement, which gives full particulars may be secured at any Post Office located in the suburban Cook County area which includes the Tinley

MR. AND MRS. GLENN MUELLER

Trinity Lutheran Church Scene Of Recent Wedding

Trinity Lutheran church, Tinley Park, was the scene of the Nov. 21 wedding of Karen Bormet, daughter of Mr. and Mrs. Carl Bormet, 80th ave. and 159th st., Tinley Park, and Glenn Mueller, son of Mrs. Ina Mueller, Frankfort.

The Rev. A. F. Pfothauer officiated at the double ring ceremony. Otto Q. Beccue was the organist and a quartet organized from various Lutheran churches in the area sang "O Perfect Love" and "The Lord's Prayer".

The bride was escorted to the altar by her father. Her gown was of white peau de sole satin. Applique and sequins adorned the bodice and bell skirt. The illusion veil was caught to a small tiara. She carried a bouquet of white orchids and carnations. Her jewelry was a sterling silver cross with a cultured pearl, a gift of the groom.

The maid of honor, Carlene Bormet, sister of the bride, and the attendants, Ina Mueller, sister of the groom, Janet Hauser and Norma Jean Uthe, wore identical dresses of radiant turquoise satin. The ballerina length bell skirt featured a detachable floor length over skirt. Their hats were small cabbage roses with veiling in the same color as the dresses.

Large mums with a spray of wheat were their flowers and each wore a pearl necklace and earrings, a gift of the bride.

Rebecca Bormet, cousin of the bride, served as flower girl. Her dress, made by the bride's mother, was the same color as the bridesmaid's and had a short skirt scalloped at the hemline. She carried a small bouquet of mums and wheat.

William Brandenburg, nephew of the groom, wore a white tuxedo for his role as ring bearer.

The groom's attendants were John Johnson, best man; Carl Bormet, brother of the bride; Ervin Mueller, brother of the groom; and Alvin Streich.

The bride's mother chose a dress of oyster white brocade with navy blue accessories. The groom's mother wore a gold metallic dress with brown accessories. Both had white orchid corsages.

Guests of honor were grandparents Mr. and Mrs. Carl M. Bormet Sr. and Mrs. Peter LaLonde.

A reception was held at the American Legion hall, Tinley Park, for 340 guests. The bride's aunts, Mrs. William Mager and Mrs. Adam Breitharth served the wedding cake.

Following a motor trip to Silver Springs Fla., the young couple are now at home at 17313-68th ct., Tinley Park. The bride is employed at Rollins Burdick Hunter company, Chicago; and the groom at Willow Farms Dairy.

Kristine Howard Wins Sandburg DAR Award

BY DOUG CONNELL

Kristine Howard will receive the 1965 DAR award, according to James Adcock, director of guidance at Carl Sandburg High School. The award is made on the basis of dependability, service, citizenship and patriotism.

Miss Howard is the daughter of Mr. and Mrs. Lawrence R. Howard, 125th & Iroquois, Palos Park.

A senior class vote selects three girls to be considered by a faculty committee, headed by Adcock. The committee makes the final decision for the awards presentation.

Miss Howard, along with other high school DAR winners, is entered in the Illinois Good Citizenship Contest. The state winner is awarded \$100.

The DAR announcement is not the first honor bestowed upon the blonde senior during her four busy years at Sandburg. In addition to a 4.0 grade point average and the number one rank in her class of 486, she has served four terms on student council, last year as vice-president and this year as secretary.

As council vice-president her junior year, Miss Howard was in charge of the school's Red Cross program. "I always enjoyed the RC work," remarked the star senior. "I think everyone enjoys helping people."

The DAR winner spent two months in Ecuador as an exchange student last summer. "The exchange afforded a unique opportunity to examine the American system through the eyes of our Latin American neighbors."

"I think most students have a pretty good attitude about patriotism and serving their country."

As if student government and a rigorous study schedule aren't enough to keep one busy, Miss Howard lists "Aquila", Sandburg Guard, Quill & Scroll and National Honor Society as extra-curricular activities.

In addition, she is president of the synchronized swimming club.

Bridal Fashions Style Show

Behnke Studios of Frankfort will host a bridal fashion show on Wednesday, Feb. 17 beginning at 8 p.m. Please call or write in for reservations. There is no admission charge and refreshments will be served.

The bride, bridesmaids and flower girls will be highlighted. Sterling silver will be displayed and Bernardins Florist will show unusual floral designs and will supply the scenery and special effects. Bridal music will enhance the entire affair.

Albert J. Behnke, one of Illinois leading photographers, who was winner of last year's Edward Fox Memorial trophy for photography excellence, will show his finest bridal portraits and demonstrate the latest trends in styling, posing and dramatic lighting effects. Make-up and hair styling will also be introduced.

Consultations on wedding etiquette for the bride and her family will also be offered.

was awarded the American Legion Medal for citizenship, leadership and character.

The star senior was also active in 4-H and Girl Scouting while in grade school. More recently she has won recognition as 1964 Homecoming Queen and Palos Christmas Queen.

"QUEENS OF FRANCE," Thornton Wilder's one-act drama about a shyster lawyer who earns a dubious living by finding false "heirs" to the throne of France, has been selected as Carl Sandburg's entry in the speech contests this year.

Being performed this Saturday at the district speech contest at Lincoln-Way, the play had its premier at the conference contest at Reavis last Saturday.

Leads are John Smith (left), Lisa Weigle (right), Michelle Shounnot, and Janet Miles. Others in the cast are Charlotte Fraizer and Grant Steeve.

Assisting with the production are Jerry Coleman, stage manager, with Robert Hanson and Jack Nelson, assistants. Kathy Scarry is in charge of makeup; and June Wadgner, the props and costumes. The play was directed by Mrs. Sharon Rahe.

sident of the synchronized swimming club. In AAU competition she has won both gold and silver medals for her swimming routines.

The honor student was also named a semi-finalist in Illinois State scholarship competition. She plans to attend the University of Illinois in Champaign next fall.

Miss Howard's abilities and character did not go unnoticed in grammar school. As an eighth-grader at Palos Dist. #118 school she

Eagles, Knights Meet In Crucial Tilt Tonight

Whew! What A Thriller! Sandburg 62, Rich East 61

BY ED PETERSON

A clash with the Rockets of Rich East last Friday night proved to the Eagles that a victory is something which must be earned and kept alive their hopes for a share of the conference title. Altho the Sandburg five emerged victorious in this emergence battle, it was not by the satisfying margin evident in their first meeting with the Rockets.

With barely seconds of play left in the game, the Eagles were losing by one point to the determined Rich roundballers in what would have proven to be the upset of the night in Chicagoland prep contests. Taking the ball down the court, junior guard Doran Harding drove all the way underneath only to miss his shot at the hoop, but with an extra effort on his part he managed to grab his own rebound and put it back up for two points, the margin the Eagles needed for victory. The final score was 62-61.

High scorer for the night was Bruce Hyink, 6'9" Eagle center, with 27 points, many of these coming on his newly developed hook shot, a gem which is impossible to defense.

Tonight's game is the one which everyone has been looking forward to, against

the Lincoln-Way Knights, currently the conference leaders, and the only team in the league which has defeated the Eagles thus far. Hyink and his troupe hope to mar the unblemished Knight record of 10 straight conference wins.

Easily the outstanding Lincoln-Way performer is Howard Grimes, 6'5" center, returning all-conference selection and a tremendous threat from underneath. Backing him up will be Stanfill and Schroeder, two returning lettermen on the Knight's squad.

In the first clash of the season the Eagles were killed by a full court press which they hadn't reckoned with earlier in the season. Currently they are prepared for such a defense and do not expect to be foiled by the same weapon a second time.

Another factor to be reckoned with is the fact that Hyink and Drew Corley, the big men on the Eagle squad, had fouled out of the contest before the final buzzer sounded. It was for this reason the Knights won by such a commanding margin.

This figures to be the game of the year for the Eagles in that all championship hopes ride on its outcome.

two matches, both Eagle victories. Individual matches were:

95 lbs.-Levin (H-F) beat Peterson (CS) 6-2.
103 lbs.-Fregean (H-F) beat Clark (CS) 4-1.
112 lbs.-Sohl (H-F) beat Haislet (CS) 2-1.
120 lbs.-Osting (CS) beat Rothermel (H-F) 12-7.
127 lbs.-Hunnell (CS) beat Willis (H-F) 2-0.
133 lbs.-Childers (H-F) beat Fitzpatrick (CS) 3-2.
138 lbs.-Cobden (CS) beat Lewkoski (H-F) 2-0.
145 lbs.-Kohl (H-F) beat Miller (CS) 2-0.
154 lbs.-Johnson (CS) tied Pfeiffer (H-F) 0-0.
165 lbs.-Moormann (H-F) tied Powell (CS) 4-4.
180 lbs.-Panexek (CS) beat Long (H-F) 2-1.
Hwt.-Apel (CS) beat Kranz (H-F) 18-7.

The Sandburg grapplers finished their conference season with a 4-1-2 record while their overall season record wound up at 8-5-2 as compared to 7-9 last year.

Burros Get Bid To Join Midget Loop

Mokena's midget football team, the Burros, has been invited to join the Southwest Suburban Midget Football league. "It looks very promising with Midlothian, Calumet Park, Steger, Tinley Park and Palos Park as league opponents," said George Krueger, head coach.

The candy turtle sale was very successful and a profit of \$158 was made. The 1965 budget for the team is

BY ED PETERSON

Carl Sandburg will never be more ready to take on Lincoln-Way than they are tonight. Spirits are high as the determined Sandburgites are intent on avenging their only conference defeat of the season. The opposition, however, also boasts an impressive record if we want to argue from this standpoint. The Lincoln-Way record now stands at 10 wins and no losses in conference play, not a bad showing thus far.

In their attempt to mar this unblemished record the Eagles will be running into Howard Grimes, 6'5" center and the most outstanding roundballer in Lincoln-Way history. Grimes is a returning Southwest Suburban All-Conference selection and figures to repeat the honor this year. In addition to this stalwart, the Knights guard Greg Stanfill, a tremendous playmaker, ball handler and defensive hawk.

It will be the job of Stanfill to hold down Eagle guard, Doran Harding, who thus far this season has run all the other guards in the conference ragged. In their first

meeting, Lincoln-Way hit the Eagles with a full court press thruout the whole game. It caught the Sandburgites by surprise and literally defeated them in itself. This will not happen again in that Coach Adams has thoroughly prepared his boys for this type of defense.

Last week-end featured the Eagles most hard-earned victory thus far this season. They defeated Rich East by a mere point in a game loaded with a fervor rarely seen on a basketball floor. Harding sunk the winning basket with 10 seconds remaining in the game by rebounding his own shot and putting it through for two points. Bruce Hyink was the high scorer of the contest with 27 points.

This marked the second victory of the year over the Rockets and next to Lincoln-Way, literally eliminates all the rough competition left to play in the conference. A victory tonight will insure at least a share of the conference crown and possibly the whole thing if Lincoln-Way is defeated again later.

Stagg Scene Of Mat Tourneys

BY TIM SEDGWICK

The district and sectional wrestling tournaments scheduled for Carl Sandburg high school have been changed to Amos Alanzo Stagg high school at 111th and Roberts Road, according to Joe Devine, Sandburg athletic director. The reason for the change is because Stagg can seat 1,800 people while Sandburg can seat only 800.

Six schools will compete in the district tournament sponsored for the eighth year by School District 230 on Feb. 12-13. Winners and runners-up in the 12 weight classifications will advance to the sectional tourney at Stagg the following week.

Last year the sectional for

this area sent nine grapplers to the state meet who finished in the top four. Of this group there were two firsts, two thirds and five fourths.

Last year's tough teams from the sectional were Eisenhower with a third and a fourth in the state meet, Joliet with a first and a fourth, Sandburg with a first and a fourth, Naperville with a fourth, Rich East with a fourth and Thornton of Harvey with a third.

In the Stagg district will be Sandburg, Bremen, Naperville, Lincoln-Way, Oswego and Tinley Park. The first match is scheduled for 7 p.m. on Feb. 12, action continues at 1 p.m. on Feb. 13 with the finals set for 7 p.m. Eight winners from last year's district will again be competing this year.

On Feb. 19-20, winners and runners-up in the Stagg district will meet wrestlers from the Calumet City, Lockport and Park Forest district tournaments in the sectional at Stagg.

Those schools competing in the Calumet district are Blue Island, Thornton Fractional North, Thornridge, Thornton and Thornton Fractional South.

Those in the Lockport district are Joliet Catholic, Joliet Central, Joliet East, Joliet West, Lemont, Lock-

L-W Puts Its Clean Slate On Line Against Sandburg

BY NORM BEEBE

Lincoln-Way retained their perfect 10 wins 0 loss record in Southwest Suburban play by skinning the Oak Lawn Spartans 64-60. The Knights now sport a 16 win and 3 loss record in overall competition.

Bill Stanfill led the way for the Knights by tallying 23 points followed by Howie Grimes and Rick Schroeder with 13 points each. A lonely two points was credited to sophomore Mike Seitzinger, but by far these were the two most important points in the game for they broke a 60-60 tie with 14 seconds left in the game. Oak Lawns height was the cause of a 29-19 rebound deficit experienced by the Knights.

Doug Schaeffer, top ace for the Spartans once again led his team in scoring with 26 points. Following him was Fritz and Sarpalius with 15 and 13 points respectively.

The Knights led their opponents to a 17-12 first period score and a 30-29 half-time score, but fell drastically behind 46-39 upon entering the final stanza of play.

Oak Lawn was riding high with a nine point lead over the Knights with four minutes of action remaining when Bill Stanfill sank three field goals to put L-W in striking distance. From that point on, L-W started to close the gap rapidly. A 15-foot center court shot by Stanfill tied the Spartans 58 all with 2:08 left of play. Rick Schroeder put the Knights ahead 60-58 by dropping in a two pointer with 1:58 remaining. Oak Lawn's Doug Schaeffer tipped one in

to tie the game 60 all with 52 seconds of play remaining. Mike Seitzinger pumped in another two points for the Knights, followed by a pair of free throws by Bill Stanfill to give the Knights their 64-60 margin over the Oaks. In the last 4 minutes of play, the Knights managed to tally 13 points to prove to everyone that L-W can turn it on when the chips are down.

Lincoln-Way sophomore team downed the Oak Lawn sophomores 71-46. Frank Fleck led the winners by pumping in 23 points, followed by Tom Tilsey with 17 and Steve Ihde with 15. The Knights are second in conference play with an 8-2 record and a 12-2 overall record.

The Knights meet the Sandburg Eagles on the Eagles home court tonight, (Feb. 11). This game may prove to be the most important of the entire season. A loss by Lincoln-Way would give Sandburg a tie in the standing.

When asked if he thought the Knights were ready for Sandburg, senior guard Tom Hamilton replied, "We're not going to be over confident, but we are going to be ready for them", and sophomore guard Bill Stanfill's reply to the same question was "We were a little over confident in the game against Oak Lawn, and got it knocked out of us, so I am sure we will be ready for Sandburg."

By these two comments one can be sure that the game against Sandburg will truly be an exciting one and worth seeing.

bonnais, Bloom, Marian, Crete - Monee, Homewood-Flossmoor, Rich Central and Rich East.

Wrestlers placing first and second in the sectional on Feb. 19-20 will advance to the state finals on Feb. 26-27 in Champaign.

Open Conference Swim Meet Tonight At CSHS

by Tim Sedgwick

Tonight and Sat., Feb. 11 and 13, the Carl Sandburg swimmers will be going for their second conference championship. The conference meet is at Sandburg with preliminaries tonight and finals on Saturday.

Last year the Eagles won the conference after losing to H-F in dual meet competition. Hopefully for Sandburg fans things will repeat for again this year the Eagles lost the dual meet.

The conference meet will be one of brains as each team tries to decide where their strongest men have the best chance. With each team allowed only to enter each competitor twice things get a bit complicated.

Top men for the Eagles will be Terry Brazel, Bob Hutchinson, Allen Stelter, Mike McNaughton, George Ware and Jim Deliege.

Sophomore Brazel can be expected to win two events. He holds varisty records in the 100 yard butterfly, 200

yard freestyle, 400 yard freestyle and the 200 yard medley relay.

Hutchinson holds varsity records in the 50 and 100 yard freestyle as well as in both relays. He will probably swim in the 50 and 100 or in one of the relays.

McNaughton who is Sandburg's best backstroke will most likely go in the 100 yard backstroke and the medley relay.

Stelter who holds records in the medley relay and the 100 yard breaststroke will most likely go in these two events.

Ware and Deliege may be expected to be seen in some of the longer events such as the 200 and 400 yard freestyle.

Offer Registered Nurses Free Refresher Courses

Because of the great need for additional nurses at Tinley Park hospital, the Chicago Council on Community Nursing offers inactive registered nurses in this area an opportunity to be "updated" and placed on the job.

A special refresher course will be given at McNeal Memorial Hospital, Berwyn, starting March 1, or nurses may elect to attend a course at Community Memorial General Hospital, LaGrange, beginning June 8.

Inactive registered nurses who would like to return to duty may call the Council at Central 6-0463.

The courses are open to all currently registered professional nurses who are interested in returning to active service. There is no charge to the nurse. As a contribution to the community

in meeting a shortage of nurses, the hospital underwrites the program.

The Council project has brought 787 registered nurses back to duty in the past seven years through 76 classes in 16 hospitals.

Now a model for the nation, Chicago's community-wide

refresher program brought representatives from Connecticut and New Jersey last year to study the cooperative and coordinated project between the Council and selected hospitals.

The course covers lectures, demonstrations and actual clinical experience in hospitals.

Noted Cake Decorator To Appear At Mr. Ed's

An artist in cake decorating is to show patrons of Mr. Ed's IGA Foodliner at Orland Park just how easy it is -- if one has the talent, the dexterity and experience. The equipment is important too, it was explained, but the know-how is still the essential thing.

February 18 and 19 will be the dates.

Emil Hilbert is the man. He was trained in Europe where he became a master baker and took postgraduate work, so to speak in cake decorating. He owned his own bakery in Chicago and also conducted a school in

pastry decoration.

Millions have seen him apply his art as Hilbert as been on national TV shows. He is now employed by Durkee Famous Foods, Chicago.

Hilbert not only puts on flowers and intricate patterns in icing but has also done the portraits of 10 governors on special cakes, the portrait of the late President Kennedy on a cake, and he has also decorated a cake for President Johnson.

Any church or women's group that would like to come in a body can make arrangements thru the store.

The appearance of Hilbert is part of the month long grand opening of Mr.

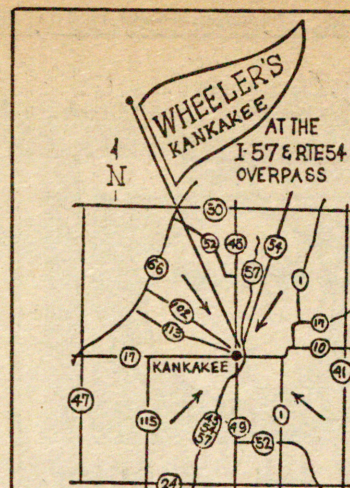

Ed's. The prizes awarded thru free drawing went to the following: L. J. Patrosso, Roseville, Mich., won the color TV; the deep freezer went to D.C. Chebot, Chicago; the silver coffee service to B. J. Stewart, Orland Park. The other prizes went to: Eric Miller, Manhattan, Ill., portable TV; Mrs. L. J. Riley, Mokena and C. L. Asmus, Orland Park, radios; Mary Parr, Orland Park, coffee urn; B. L. McCarty, Palos Park, Joan Murphy, Orland Park, steam irons; R. O. Smith, 4-slice toaster; Marcia Taylor, Tinley Park, set of four pictures and J. O. Dain, Palos Park, clothes hamper.

Melin Back From S.A. Seminar At Prison

Sgt. Major Arthur Z. Melin, of the Salvation Army, who is also associated with the Mokena pharmacy, has just returned from a three-day seminar within a prison, seeking to learn more about the causes of crime and the care and control of the incarcerated offender. The officer was one of three dozen from an area west of the Alleghenies and east of the Rockies who met with inmates and staff in informal meetings, took meals in the officers dining room, slept in the dormitory, and attended lectures on such subjects as custody, treatment, parole, meaning of anti social behaviour, anxiety, and the like.

This second annual seminar for Salvation Army Officers was conducted by the Chaplaincy Services of the Missouri Department of Corrections, at the new prison, near Moberly, an unusual concept of a coordinated custody and treatment plant, with emphasis on the individual inmate. The Superintendent, Ed Haynes, a veteran prison man, and

himself an outstanding churchman, says that the success of the program is due to its three fold emphasis: religion, counselling, and education (vocational and academic), seeking marketable skills. He encourages "concerned citizens" to work with the professional staff. The resident chaplain, The Rev. Dr. Carl Clayton Grandstaff, was the recipient of the 1964 Chaplain of the Year Award.

*Gas dryer
savings,
I love you.*

You'll never get flowers from an automatic gas dryer, but you'll appreciate almost as much the sweet smell and soft, fluffy feel of clothes dried in a gas dryer. And you'll love the savings, too.

Gas dries clothes for 1/4 the cost of other types of dryers. You save up to 4¢ a load. That certainly adds up, week after week. For the average size family, it adds up to almost \$20 a year! Considering the long life of gas dryers, you can actually pay for one on the operating savings alone.

And think of the time you'll save! No more lugging heavy laundry loads out to the line. No weather worries. No time lost on washdays; because a modern gas dryer will easily keep up with your washer.

Start a love affair with a new gas dryer. (We haven't had a jealous husband yet!) Visit your Northern Illinois Gas Company or appliance dealer soon.

(Some of the things you don't get in a Corvair are among your best reasons for buying it.)

'65 Corvair Monza Sport Sedan

Corvair by Chevrolet

The beauty of it, of course, goes deeper than the things you don't get. There's the other side of the coin—what you do get in their place.

Take the no window post, for example. What you do get is hardtop styling—with curved frameless side windows—in every Corvair closed model.

The transmission and driveline hump you don't get means more foot room. Thanks to Corvair's rear engine, the floor is practically flat.

No radiator—the engine's air-cooled—also means no water, no antifreeze and no hose leaks to worry about. All

of which add up to some more important pluses.

Power steering? Power brakes? Corvair needs them like a centipede needs crutches. With most of the engine weight on the rear wheels, the front ones are free to steer easily. And stops are quick and sure—with no nosediving.

In loving memory of my Wife and our Mother who passed away February 11, 1964.

What is home without a Mother,
Never, never the same,
There's no name as sweet as

How we love to call her name,
Our hearts still ache with lone-

Our eyes shed many a tear,
Only God knows how much we
miss her,
As it ends this first sad year.
